Coastal Residence

   DealRite Realty Limited

Coastal Residence = Smooth living, safe investment, premium peace of mind.

Coastal Residence is inspired by the idea of effortless living and peaceful surroundings.

In a world filled with pressure and noise, Coaster Residence was created as a place where life feels smooth—where you can “coast” through each day with ease, comfort, and security. Just like the gentle movement along a coastline, it represents calmness, balance, and a premium lifestyle.

It also reflects stability and protection—like a coaster that safeguards what’s placed on it.
